

# PILA batten

|                            |   |
|----------------------------|---|
| <b>Product description</b> | <b>PILA BN007C LED32S/840 PSU L1200</b> |
| <b>Light output (lm)</b>   | 3200                                    |
| <b>Power (W)</b>           | 32                                      |
| <b>CCT (K)</b>             | 4000                                    |
| <b>Mains voltage</b>       | 220-240V / 50-60Hz                      |
| <b>Lifetime</b>            | 35,000 hrs                              |
| <b>CRI</b>                 | 80                                      |
| <b>Connection</b>          | Fly wire 0.15m                          |
| <b>IP rating</b>           | IP20                                    |
| <b>Power factor</b>        | > 0.9                                   |
| <b>Safety class</b>        | Class I                                 |
| <b>Housing material</b>    | Polycarbonate                           |
| <b>Color</b>               | White                                   |
| <b>EOC</b>                 | 8710163335087                           |
| <b>12NC</b>                | 911401735152                            |

- Benefits**
- ▶ Wide application range
  - ▶ Energy efficient
